March 7, 2008

Dear Parent/Guardian of a BFA-Fairfax Football Player:

Welcome to BFA-Fairfax Football.

I am writing regarding the BFA-Fairfax football program, which your student has shown an interest in playing during the upcoming season. Fairfax football is a recognized sport at BFA, however the Friends of Fairfax Football (FFF) Boosters Club finances approximately two-thirds of the high school football budget.

In the past, a parent or two has spearheaded FFF and now most of those parents will be exiting the program as their students graduate from BFA in June. In order to rejuvenate this organization and fill areas of responsibility, we will be having a **mandatory parent meeting on Wednesday, March 19th, in Room #211 from 6:00 pm – 8:00 pm. At least one parent must attend this meeting.**

On March 19th we will be discussing the financial and organizational responsibilities of FFF including fundraising, **parent/player teambuilding**, and game day duties among others. We will also develop our goals for the 2008 season and explain successful fundraising ventures we have had to date and new fundraising ideas. The FFF cannot stress enough that all families participate. This meeting will also be a time for you to ask questions or voice your concerns that you may have.

For those of you returning, you know what the program must generate to be successful. For those of you new to the high school program, being a part of the parent/player teambuilding efforts brings a sense of community. Many friendships are made throughout the year. Although fundraising can seem to be a chore, when you do it with such great people, it turns out to be fun!

We cannot stress enough how important your participation is in helping us help the young people who wish to play football in Fairfax. We are looking forward to seeing you at the meeting on March 19th.

Sincerely,

Karen McNall
FFF Treasurer
